The Holy Spirit And His Gifts

Synopsis

These classic Bible Study Courses by Rev. Kenneth E. Hagin have been reedited to include chapter review questions to further enhance your study of God's Word. These teachings on the vital subjects of faith, prayer, the Holy Spirit and His gifts, and healing will show you how to live a life of victory and abundance! The Holy Spirit, a Divine Personality, comes to make His home in us when we are born again. Because of the indwelling Presence of the Holy Spirit, there is no need for any believer ever to feel comfortless, bereaved, or forlorn. There is also another work of the Holy Spirit in a believer's life -- the outpouring of the Holy Spirit upon the believer to endue him with power from on High. In addition to discussing this twofold work of God in a believer's life, this Bible Study Course also explains the nine gifts of the Holy Spirit. These nine gifts are divided into three categories -- the revelation gifts, the power gifts, and the utterance gifts. As you study and learn about the ministry of the Holy Spirit, you will become a more effective witness for the Lord Jesus Christ on this earth. Chapter titles include: -- The Holy Spirit Within: His Indwelling Presence-- The Holy Spirit Upon: His Infilling Power-- How Important Is Speaking in Tongues?-- The Bible Evidence of the Baptism of the Holy Spirit-- The Gift of Faith-- Gifts of Healings

This is one of most excellent and complete studies I've ever seen or used for studying the Holy Spirit and the gifts of the Holy Spirit. The best defense against false doctrine and misinformation is the Scripture, and bro. Hagin in this study delivers. I am currently leading several non-Pentecostal

people through this study who are hungry for more of God, and they have literally been amazed at the things they are learning right out of the God's Word about the Holy Spirit as a person, speaking in tongues is for today's believer, and the gifts of the Spirit. I would highly recommend this book as a small group Bible study.

This book is the authoritative book on the Holy Spirit and the gifts of the Spirit. Anyone who wishes to learn about spiritual gifts cannot do any better than this book. I read it more than 25 years ago and still teach from it today. This classic study is still the standard for the Pentecostal/Charismatic view on this vital subject. Christian scholars should take notice. Brian Scarborough

The Holy Spirit series is a must-have for faith-filled fans of Ken Hagin. Though Hagin, to be sure, would disagree and say that it is a must-have for every believer! And he would be right, of course. This series offers wonderful teaching on a topic few endeavor to preach- the personality, gifts, workings, and power of the Holy Spirit. He spends considerable time talking about tongues: is speaking in tongues encouraged? What is its purpose? How does it "work"? When is it appropriate? As is his style, Hagin's lectures all center squarely on the Bible. He draws plenty of instruction, examples, and insights for the scriptures to support his view. I find his teaching refreshing, open, honest, faith-building and power-packed. This series is no exception.

It is a great book for learning so many truths about the gifts of the spirit based on the bible, instead of on hearsay. I recommend it to anyone who wants to walk more closely with the calling that God has placed on their life.

Excellent book! I especially loved when Kenneth E. Hagin, explained how we are always praying for something when we just need to receive! I had an epiphany! Jesus said on the cross that it is finished. The Father has given us everything, now we just need to receive. An example of this would be when we pray for healing. However, according to the word of God, by the stripes of Jesus, we are healed. We already have our healing. Now just receive what has already been given to you. This was an Ahaaaaa moment! I thank God for Kenneth Hagin and what he has left behind for us to follow.

Any information about the Holy Spirit is important because He is our comforter, our guide and our teacher. But to learn about the gifts that He dispenses and how they are used is information every

Christian needs to know! Follow the information in this book and you will see your life take off for and with Jesus Christ. I'm preparing to use this information for one of my Bible Studies on my Website as this information is vital for every Christian who wants to evolve from a baby Christian to a fully mature Christian.

Am doing the study in this book and am being very blessed! Getting rid of some confusion I had concerning spiritual gifts which Paul said he would not have us ignorant of.

KEH Hunted this type of Faith all my life. 2nd Peter 1:1 opens with "Simon Peter, a servant and an apostle of Jesus Christ, to them that have obtained like precious faith with us through the righteousness of God and our Saviour Jesus Christ:" 'like precious faith' is rare and precious, indeed. KEH has 'like precious faith' because he not only teaches the Word, but urges us to study it for ourselves. It is precious to find a Bible scholar who doesn't try to dominate, but knows 2 Cor. 1:24 "Not that we lord it over your faith, but we work with you for your joy, because it is by faith you stand firm." Two things I value: 1) To know for myself. 2) To be respected as an equal believer and not 'talked down to' by a leader. KEH lifts us up in Christ: Luke 22:69 "But from now on, the Son of Man will be seated at the right hand of the mighty God." Glory to God!
