Customer Reviews

This is an excellent book! As the mom of four girls, I'm thrilled to have this book for them. Packed with great personal stories and practical application, this book will both encourage and challenge girls to be all God intended them to be, and to change the world.

I wish I'd read this book as a teen. Lots of practical information for teen girls to begin their course in life.

I purchased this for a preteen at a church. Was going to let her study it on her own. I was so delighted with the message I bought a copy for myself.
