Customer Reviews

Perfect for the Pinkalicious lover in your life. My 6 year old recently discovered Pinkalicious books and she has been in love with them. This one is great for Kindergartners and beginning readers using sight words. I would buy the "I can read!" books again.

Well we love Pinkalicious. This is another winning book by Victoria Kann. Easy to read and a good story although it gave my granddaughter the idea of staying home and have her own "sick day". Wonderful story.

This book is super cute! My 4 year old loves all things Pinkalicious and this one is right up there with the rest. It's super cute how she describes what is going on and when she tries to make her brother jealous my daughter thinks it's hilarious!

Great book as are all the Pinkalicious books. I think the Level 1 rating is more a 1 almost level 2. I know each brand of books that have these ratings vary. Some level ones are very easy but this one is definitely a smidge more advanced. If my review was helpful to you, please choose YES. Thank you!

This is our daughter's favorite book series! This one was super cute :)

perfect book for any pinkalicious fan.

Super cute book. My daughter loved it

My granddaughter and I love to read together and the Pinkalicious book series is her favorite. The context and language structure has made it easy for her follow along while trying to read herself.
