Fly, Butterfly (Penguin Core Concepts)

Synopsis

Exposing children to a diverse range of literary and informational texts, the Core Concepts program helps develop important literacy and cognitive skills necessary to meet many of the Common Core State Standards. Did you know that every year hundreds of thousands of monarch butterflies migrate 2,500 miles to Mexico for the winter? It takes four generations of butterflies to make the trip, and only the fourth generation lives longer than three weeks. Follow a beautiful butterfly as she makes her journey down to Mexico! Fly, Butterfly covers the concepts Animals and Seasons.

Customer Reviews

This children's soft cover book was written by Bonnie Bader and is July's choice of children's book of the month by The Imagination Library, Dolly Parton and the United Way who pick children based on income to receive the books free of charge. This excellent book is about the life of a butterfly that is approximately 26 pages with beautiful pictures in all phases of this colorful butterfly through her earliest stages to the point where she herself becomes a mother, very informative and interesting book for children. Highly recommended
