## Customer Reviews

I was surprised when this arrived to find that the drawings are on a very heavy, yet translucent page. This is such high quality I cannot believe it is so inexpensive to purchase. Don't pass this one by, its a real find!

An awesome book and unique! The pages are see through, so that you can actually hang them in a window and it looks like stained glass. We will be putting these on our sliding glass doors!

Great coloring book for adults,best if you use markers,the result is beautiful.

Good to scan and color or put on transparencies as a stained glass look. Either way, they make

good Spring art projects.

Exactly what I was looking for! No disappointments here! I am using it to practice airbrush techniques.

very beautiful am enjoying it so much, great fun

Love them, will definitely order more!
