Perfect Game (Little League)

Synopsis

Two weeks of intense competition remain to decide the final teams for the Little League® World Series. This year, the anticipation is high as it's possible that both of the previous final two teams will return, a very rare occurrence. And those are the teams Carter and Liam now play for! These two players, one from each team, are thinking the same thought: How can I play against my best friend? This is the fourth book in a five-book series that follows Liam and Carter as they work their way to the Little League® World Series. The final book in the series will coincide with the Little League® 75th Anniversary in 2014.

Customer Reviews

I bought this book for my son, but I also ended up reading it. This book is perfect to get a sports-minded son to read for school. The storylines are great and you can almost feel yourself being there. Wish they had these when I was a kid!

My 9 year old son loves Matt Christopher books and we so thrilled when this new one came out. It's one of the few books he will read willingly! As a family we enjoy having our son read it to us out loud, we really enjoy the story as well. We are a baseball family and can really relate to the stories.

Please note that "Perfect Game" is the 4th book in the series - the header that has on the site is incorrect. The books in order are: Play Ball District Doubleheader State Showdown Perfect Game World Series I had purchased District Doubleheader thinking it was the first book in the series but didn't realize that it was the second book until I received it in the mail. So now I'm back to purchase the first book so my son can start reading. He is very excited about these books.

Perfection. Yes, that is the name of the game. Everybody wants to be good at something. The goal in life is to be better than everybody else. People call it perfection. It's time for some intense competition in this story to decide on which teams will go to the World Series. Through blood, sweat, and tears the boys will play their heart out hoping that it will be their luck to play in the World Series. However, along the way to achieving this goal, two of the boys, Carter and Liam, who are best friends are playing on competing baseball teams which adds a lot of mixed feelings to the formula. While continuing to wish each other well in the competition, they still want their own team to earn the privilege of going to the World Series. How do you think these boys feel? Which teams do you think deserve to go to the World Series? Once again, author, Matt Christopher, gives baseball fanatics a great baseball story. Filled with lots of action, excitement, and adventure, no one will be able to put this story down until they complete reading it. Marvin P. Ferguson, author of BOYS ON THE GOLD COAST.

my son hates to read. he loves sports and it is always difficult to find books that he will read and enjoy. This series is great for your young sports-minded boys to keep them interested.

Really good book for people who play little league and are ages 9-12. This book is definitely one of my favorite books I have ever read. You should really read this book:)

My 7.5 year old son burns through these books in 1-2 days. Great for young baseball fans.

Great, great, great!!!! Can't get better than this!!! Keep it up Christopher! Can't wait to read the next book. Really looking forward to it. :)
