Changed Into His Likeness

Synopsis

Are you ready for real and radical transformation? God Is Enough! This message comes through loud and clear in the lives of Abraham, Isaac and Jacob. While they failed time and again, God was faithful to convict, restore and bless them. And He is able to deal with our slipping and stumbling as well. Watchman Nee uses the lives of the patriarchs to show that God is able to turn our failure into success and our weakness into strength. He does this not so much by transforming the situation as by transforming us. But God's sufficiency in the face of our failure is seen only as we surrender to Him and are changed into His likeness.

Customer Reviews

This book is wonderful. I have read many Watchman Nee books and most of them have had a profound impact on my life; yet for some reason I didn't really think this one would. I was wrong!! This would list right up at the top of books that I've read by him! It is a great book that deals with faith. Nee takes us through the lives of Abraham, Isaac, and Jacob and compares their situations with ours in a wonderful way. God called Abram just like He has us; then Isaac deals with everything that God has given us that we just need to receive from Him; and finally Jacob deals with the self-nature in each Christian, as Jacob was always scheming and trying to accomplish things in his own strength. I highly recommend this book!

A truly brilliant and spirit led exposition of not only the story, but also the relevance and importance of the phases in a christian's life according to the lives of Abraham, Isaac and Jacob. This book gave me peace about the lack of peace in my life, and God's way of working with me. A definite must if you're struggling with God and struggling to overcome life's fears.

No other work in former or recent times has so excellently expounded with understanding these founding fathers. As Yhwh has stated, "I am the god of Abraham, Isaac and Jacob, and my seed shall be in their descent. Not Abraham alone, as the Muslims would desire for us to accept, but in Abraham, Isaac and Jacob, as in their seed is the seed of Christ. Recommended A1!

I love watchman Nee, his books always exceed my expectations. He simplifies what it is to be a christian. The price of his books are always good as well. Affordable for anyone. I highly recommend this book to anyone that wants to walk a real christian life. If your serious about seeking God and growing in your walk with Christ this book will help. It explains what God intended when the word was written. No other authour has touched me the way Watchman Nee has. I also highly recommend The normal christian life. You'll never be the same.

This is another of Watchman Nee's books that has changed my life. It is my opinion that we live in such a time that living the Christian life appears to be a relative thing - whatever a person believes it to be. However, scriptures confirm that there is a price to be paid for becoming a true Christian - and that is that we need to be changed into His likeness. As this is something that we cannot do ourselves, understanding how this happens is so important for a struggling Christian to know. If you are struggling I recommend this book to you. I am a mature Christian and this book confirmed all I believe the Holy Spirit has taught me.

This work based on the life of Abraham, Isaac and Jacob is my second favorite of all. But, if you haven't read "Sit, Walk, Stand" and "The Normal Christian Life" then you should read them first. This is heavy stuff.

Watchman Nee received revelation and understanding from God. If you want to know more about the growing up process in your christian life, read this book. Its a timeless gem.

I've never been disappointed when reading anything by Watchman Nee, and this book continues his

Holy Spirit inspired teaching. Nee has a way of delivering the depth of God's word with a simplicity that can only come from personal experience. Reading this teaching will drive you to want to begin once more to explore God's message to us delivered through the lives and experiences of three great men in the Old Testament.
