Customer Reviews

An excellent book that the subject matter is easy to follow, and with humour.

Way over my head. I need something very basic.

Great aid to finding your way around Windows 10. Not just for Seniors, everyone can use this help.

I don't do well with written instructions so I learned by watching and trial and error.

A very good book for seniors to understand Windows 10.

Its not basic enough for me

written for people other than me. is more for grand parents

Just what I needed. Fast service! Thank you!!!
