My 7 year old, soccer-playing grandson devoured the Wild Bunch series - can't wait for Book 6. There are very few sports fiction books for younger kids. He got involved with the different players on the Wild Bunch team, knew their positions, cared about their games. We read the Zoe book together, which showed him that girls can be expert soccer players too. Highly recommend.

I liked book 5 because it's about friendship and working towards being in a team. Max got kicked out of his team and tried to find another team that he would fit in. I like the creation of that.

He was so excited to get Book 5 about Max the Golden book and can't wait for the next one. Hopefully it will be a short wait.

My nearly 12 year old is loving this series. It keeps his attention and loves the story lines. Well done!

My 10 year old, soccer playing, Grandson enjoys this series of books a lot!

My 9 year old loves this series. We have now read them all. A fun read
