The Presbyterian Ruling Elder: An Essential Guide, Revised For The New Form Of Government

Synopsis

This accessible resource on the Presbyterian ruling elder is especially designed for those considering becoming ruling elders and those who have been elected to this ordered ministry. It explains the meaning of the term “ruling elder” and the qualifications and duties of this ministry. The book goes on to explore the relationship of ruling elders to other elders, the role of the ruling elder on session and in the presbytery, and the relationships to pastors and to the whole church. Fully revised based on the new Form of Government of the Presbyterian Church (U.S.A.), this book is invaluable for new ruling elders preparing for their role.

Customer Reviews

I had no idea the Presbyterian Elders and Church were meant to be a Church like this. It definitely opened my eyes to the positive.

Well written and good choice of subject matter. Bought for distribution to new Elders and everyone was positive about it.

Good, short read. Covers enough of the basics so that you won't embarrass yourself until you figure out the politics.

gets one started on what it takes to be an elder

Well written.

Very helpful

great
