We bought this for our church band. I love it. I bought one in each key, and piano. They are interchangeable.

I was expecting a little more variety in the solo part. It is basically just the song melody.

100% satisfied with my item. New in every way. Great songs that easy to play. And the tracks are nice. Only one detail... last two tracks are not in the CD. That's a bummer.

This is a great book! My son has been playing the trumpet for two years and it is perfect for him!
