Our Savior Jesus Christ: His Life And Mission To Cleanse And Heal

Synopsis

Two thousand years ago, something happened that would change the world forever: A child was born. Two thousand years ago, in the tiny city of Bethlehem, the event that would forever change the world unfolded quietly in the most humble of circumstances. In all of history, Christ's birth was unique. Similarly, of all the holidays we celebrate, nothing can compare to the holiday that celebrates His birth. Holly and pine boughs, candles and ornaments, peace, love, and tradition all remind us of the ties that bind us to each other and to our Savior. Because of Christ's divine birth, family ties can literally become eternal. This Christmas, curl up with a cup of hot chocolate and let the chapters in this book guide you through the symbols of the season and the real story of Christmas. Interwoven with insights from the Joseph Smith Translation of the Bible, the words of the prophets, and insights from the restored gospel of Jesus Christ, this age-old Christmas story will take on new meaning and new life like never before.

We got the hard cover book. I have to say, this is one of the best books read on healing all kinds of things, addictions to feelings. I gave it to our son who struggles with addictions, it is comforting to see him reading it when he has the time along with his scripture. Thank you David J. Ridges for writing this. It definitely puts it all in perspective. I gain more and more insight from your writing each time I read one of your books. People, if you know someone that is having a battle in addiction, needs healing. This is a great book to give and to have on hand as a loaner. Well Done, David J.

Ridges and thank you for selling it both hard back and via Kindle.

This book is a wonderful informative book about our Savior. If you are unfamiliar with David J. Ridges, you will still enjoy this volume. He writes in a way to explain a subject, but also give you thought provoking questions and things to think about. He brings many angles to one idea and it is a real experience reading his books. This is especially perfect for any teacher.

David Ridges teaches in a way that I can understand and feel the Spirit. He delivers my Heaven Father's lessons to me on my level of learning at this time. He leaves open an avenue for the Spirit to step in and give me the understanding that is personally for me from my Heavenly Father. Without inspired teachers, like David Ridges, understanding the mysteries of God would be limited for a person like myself. Instead it strengthens my testimony and keeps me searching for more knowledge.

Extremely helpful in supplementary studies of the Savior's life!

I am teaching seminary this year and found this book to be very helpful and insightful. Easy to read and understand and very well organized. Love it!

This author is so helpful with scriptural clarification. It has been wonderful to better understand Jesus Christ. He breaks it down so simply.

I love Ridges!
