Looks exactly as described.. No issues with this Bible cover at all.. Very attractive and useful..Bible fits pretty snug and strap can hold a fat marker one one side and 2 pens on the other side (although it clearly made to accommodate one) I also have room for sticky tabs in the pockets ..prettier in person!

Awesome Bible Cover!! I have a lot of bibles and have 3 covers for my favorite study bibles and all of the covers I have are from christian art gifts and I love them all But I think this one is my new favorite :) the purple is a bit darker than the picture but still very pretty. The zipper and handle seems very sturdy as well! Buy this for yourself, a friend, your mother or grandmother!! You wont regret it :)

This is everything it is purported to be. Its absolutely beautiful. The quality is amazing. I would buy it again in a heart beat. This would make an absolutely wonderful gift.

This is my second one I love the quality and the price is great, keep up the good work blessing ppl .

It was nice. However the book I bought it for was smaller/thinner and the carrier was case was unable to hold the book securely. However, it was able to be used for another book.

Over all a nice cover. I don't think that the flaps for the cover are deep enough and the bible tends to slide a bit. However it is beautifully made and my wife loves it.

This is so beautiful! My daughter loves it and so do I!

Delivered on time and as described
