Customer Reviews

Step by step method of spreading the Good News. Here, Fletcher maintains today's Church is failing the Great Commission. How many have you lead to Jesus recently?It's a very motivating book filled with scripture. Covers the who, why, what, when, and how of soulwinning. Empowers all believers that they can, and are biblically obligated to reach out to others. Excellent chapter on our "feeble excuses." Basic fundamentals presented in a readable and understandable fashion. Very clear and straight forward. Should strike home with most people. Do you remember when you were on fire?
