Customer Reviews

I bought this book for my 11 year old who is started BMX racing earlier this year. I did not notice that the recommended age is 4-8. After looking at it. I would suggest the recommended ages are 3-6. I gave it to my 5 year old. If you or your child have ever been to a BMX race, you will not learn anything from this book. It is strictly for people who know nothing about BMX racing. That said, it is a good book for what it is. It provides an overview of BMX racing and defines the basic terms. For young children not familiar with BMX, it is a good introduction.
