# Fun In The Sun

## Synopsis

A hapless dog frolics in the sun and sand on a perfect beach day. It's fun in the sand, but now there's sand in his lunch and sand in his suit. Time for a dip in the water! The dog splishes, splashes, and rides the waves; it's fun in the water too. As the sun goes down, he flies a kite with new friends. Fun in the sky! But did he remember sunscreen? David Catrow's zany illustrations make this dog's day in the sun anything but ordinary.

## Customer Reviews

This book has such wonderful illustrations that it deserves special mention - they're playful and whimsical and humorous, for both child and adult readers. The story is a simple one about a fun day at the beach, but the accompanying drawings are what make this story pop. Definitely one to check out!

Adorable illustrations with so much to look at and discuss. A short, simple book but the illustrations make it really fun to read to children. My 4 and 6 year olds loved it.

Love David Catrow's books! One of my favorite children's writers. The artwork is magnificent, very unique, cheerful, quirky - perfect for children of all ages!
